

25th March 2015

To Whom It May Concern,

Eddie has been involved in the design of equipment for multiple projects at Tasti Products Ltd over the past few years, working as a contractor for 2 of our trusted suppliers, Continental Engineering & PTL.

His knowledge & experience of machine design & hygiene requirements for the food industry underpin all of his work for Tasti. He has been professional and produced excellent results with all the projects he has been involved with being very successful.

I have no hesitation in recommending Eddie for any design and drafting works as you may require.

If you require a verbal confirmation or testimonial please contact me directly.

Sincerely,

A handwritten signature in blue ink that reads 'Robin Peach'.

Robin Peach

Projects Manager
